Summer Reading Program 2022

What is the Summer Reading Program?

The Summer Reading Program is a chance for all ages to continue their enjoyment of reading throughout the summer and earn prizes and a special T-Shirt given to those who complete the requirements for their grade or age group.

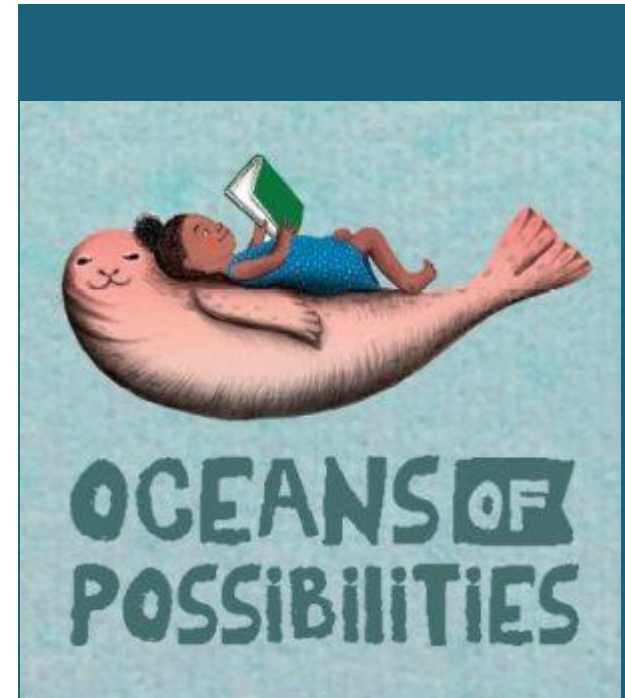

Participants will sign up online at desototrail.beanstack.org, or at their local library. Ask library staff for assistance in registering if needed. **Registration begins May 20th and ends July 31st.**

Our program this year promises to be a fun and interactive program centered around the ocean and classic story tales. We hope to make this summer as fun as possible. Weekly performers as well as craft days will take place at the library all summer! See our Facebook for weekly updates.

We will be following all COVID-19 protocols: masks and hand sanitation will be required at all indoor performances and programs.
